The Black Sun of Autocracy

Dates	2022 - 2022
Author	Nika Sandler
Topics	Contemporary Issues, Social Issues, Travel

In "The Black Sun of Autocracy", I travel to autocratic countries* using Google Street View. I find and capture digital artifacts that remind me of the essence of this regime.

In "The Black Sun of Autocracy", I travel to autocratic countries* using Google Street View. I find and capture digital artifacts that remind me of the essence of this regime. The protagonist of this series is the black circle, aka the black sun that shone over these countries.

*Autocracy (from the Greek. αὐτοκράτεια) is a form of government that represents the unlimited sovereignty of one person in the state.
